Special Contract Offer
ORDER SHEET

SEASON OF 1948

Wholesale Vine Seed Growers

Gentlemen:

We are pleased to submit our contract offer for next fall and winter delivery, subject to the contract terms and conditions, also pro rata delivery in event of short or unmerchantable crops for seed purposes and confirmation of orders to be booked subject to loss from fire and contingencies beyond our control or caused by war.

Our Vine Seed is grown from selected seed stocks, and we believe will compare favorably with stocks you can obtain from other reliable growers. The quotations are made for orders to be received in time for us to contract sufficient acreage to cover your requirements or our acreage permitting us to book your order.

Orders should be placed at an early date or it will be too late to cover the acreage with good growers, and we hope our prices will permit you to place your order with us or advise us if our prices are not in line with other Wholesale Growers.

Trusting you will favor us with your order at an early date, or list of requirements, we remain,

Yours truly,

WESTERN SEED & IRRIGATION CO.
